Press Release

Winter Storm Watch 1.31.11

Snow plowing

Plainfield, NJ January 31, 2011: Acting City Administrator Daniel A. Williamson is reminding Plainfield residents to cooperate with the City as the Division of Public Works clears the roads throughout the afternoon and morning hours of today's pending snow fall. Starting Monday, January 31, 2011 from approximately 5:00PM through Wednesday, February 1, 2011 Public Works will be plowing snow and salting throughout the City,. Snow removal efforts will focus on the primary roads, clearing the way for emergency vehicles and police vehicles to maintain public safety.

During this time, we must request that on street parking in all areas of the City be kept to a minimum, that snow is not shoveled back into the streets, and that the use of private vehicles be kept to a minimum—use mass transit where possible. Residents are also reminded that sidewalks must be cleared of snow to facilitate pedestrian access. Finally, residents are reminded to visit the City's Web page for a winter update and tips on winter driving. For more information, please contact the Division of Public Works, at 908.753.3424.

For Release 9 a.m. EDT, January 31, 2011
