

## **Plainfield Partners with State of NJ and Walgreens to Increase Vaccination Efforts**

Mayor Sharon Robinson-Briggs is pleased to announce that the City has once again joined with the NJ Department of Health (NJDOH) and Walgreens Pharmacy to increase the overall vaccination efforts throughout the State. Walgreens Pharmacy, through the NJDOH, has provided the City with vouchers for free Influenza vaccinations for those that do not have insurance to cover the cost of the vaccination or who cannot afford one. The vouchers may be redeemed at any participating Walgreens locations. Residents interested in obtaining a voucher should contact the City of Plainfield Health Division, either in person or via telephone at:

City Hall Annex  
510 Watchung Avenue, 2nd Floor  
Plainfield, NJ 07001  
908 753-3092

Requests will be on a first come, first served basis and once vouchers are expended, we will be unable to fill further requests.
