MAYOR ADRIAN MAPP TO HOST AFFORDABLE CARE ACT SESSIONS WITH URBAN LEAGUE OF UNION COUNTY

Plainfield, NJ – March 17, 2014 – Mayor Adrian Mapp has announced two information sessions on the Affordable Care Act (ACA) for Plainfield residents in partnership with the Urban League of Union County. The sessions will provide information and offer on-site enrollment.

“This partnership with the Urban League of Union County provides a valuable service for Plainfielders without health insurance,” said Mapp. “With the registration deadline of March 31 rapidly approaching, we are reaching out to provide answers to questions about ACA and help those who would like to enroll.”

The two sessions will be held at the Plainfield Public Library on Wednesday, March 19, 2014 and Wednesday, March 26, 2014 from 6:00 pm – 8:45 pm. The session on the 19th will offer an overview of ACA and a question and answer session with Clifton Alexander of the Urban League of Union County. Mr. Alexander is a Certified Marketplace Navigator. The second session on the 26th will offer on-site enrollment assistance.

“Over 120,000 New Jerseyans now have health care coverage through ACA, with many of those enrolled qualifying for federal assistance,” said Mapp. “These sessions are designed to help our residents answer the questions they may have about their options and to take advantage of the assistance that is available to them. Ultimately, ACA will help us achieve our goal of a healthier Plainfield.”
