## Mayor's Letter

### City of Plainfield

Since taking office as Mayor, I have promised to drive Plainfield forward. In keeping with this promise, we are actively taking steps to provide our residents with the best services to enhance our community. This directory lists various non-profit and service organizations that provide quality and efficient services to the Greater Plainfield Area. We ask that you take advantage of these services and share with other community members the vital information listed in the Service Provider Directory. Together, we can build bridges and create unity by creating, "One Plainfield-One Future."

Sincerely,
