R. Allen Smiley
City Administrator

Inter-Office Memorandum

TO: City Council Members

FROM: R. Allen Smiley, City Administrator

DATE: February 27, 2015

SUBJECT: **Fleet Management Staffing Costs**

In an effort to control overall cost and achieve efficiency of the City's fleet operation, the fleet maintenance operation needs to be centralized. As noted in information that was previously disseminated the primary fleet vehicle and equipment users include:

- Police Division
- Fire Division
- Public Works
- Inspections
- Recreation
- Administration

Under the current decentralized system, staff assigned to fleet management includes:

Division	Title	Time Spent (Fleet Management)	Salary cost associated with Fleet Management
Police	Police Lieutenant	40%	$47,407.00
Fire	Fire Lieutenant	35%	$35,438.00
Public Works	Public Works Superintendent	8%	$8,806.00
Public Works	Supervising Mechanic	25%	$27,568.00
Total Staffing Cost			$119,219.00

The duties and functions performed by the above captioned positions are noted in the attached memorandums. It should be noted that the duties (see attached) being performed by both the Police Lieutenant and Fire Lieutenant are not within their authorized Civil Service scope of job duties and is therefore considered out of title work.

Job Specification 07137

MANAGER MOTORS

DEINITION:

Under direction, manages a large garage, motor vehicle repair facility and maintenance program. Supervises one or more subordinate supervisory staff involved in the maintenance, servicing and repair of vehicles and/or equipment; does related work as required.

NOTE: The examples of work for the title are for illustrative purposes only. A particular position using this title may not perform all duties listed in this job specification. Conversely, all duties performed on the job may not be listed.

EXAMPLES OF WORK:

Manages and oversees the maintenance and repair work on automobiles, trucks, tractors, mowers or other vehicles and motorized equipment or machinery.

Manages the work operations of the garage facility.

Plans and assigns work to garage supervisors and other staff.

Develops and implements operational and safety procedures to ensure the efficient and safe operation of the garage facility.

Plans, organizes, assigns and supervises work of the organizational unit and evaluates employee performance and conduct, and is responsible for the hiring, firing, promotion, and disciplining of subordinates.

Ensures employees are properly trained and certifications remain current.

Prepares and reviews technical specifications for all vehicles prior to purchase and may prepare bid proposals.

Reviews requisitions and/or purchase orders for parts, equipment, materials, supplies, etc.

Determines whether to repair vehicles and/or equipment or contract repairs to vendor.

Obtains quotes for repairs or purchase of new vehicles and/or equipment.

Reviews bids for new vehicles and equipment, parts and supplies and repairs to be performed by a vendor for content and either accepts or rejects bids.

Develops and implements a maintenance schedule for vehicle fleet, which includes tracking maintenance costs and/or maintaining an inventory database.

Determines and prepare retention schedule for vehicles and equipment and may determine when it is no longer cost effective to repair vehicles and/or equipment.

Prepares and maintains reports, records and files.

Will be required to learn to utilize various types of electronic and/or manual recording and information systems used by the agency, office or related units.

REQUIREMENTS:

EXPERIENCE:

Three (3) years of supervisory experience in the installation, maintenance and repair of varied types of motorized vehicles, equipment and/or machinery.

LICENSE:

Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform essential duties of the position.

KNOWLEDGE AND ABILITIES:

Knowledge of the operation, maintenance and repair of motorized equipment.

Knowledge of purchase specifications.

Knowledge of the methods used for reviewing bid proposals.

Ability to develop effective work methods.

Ability to prepare specifications and bid proposals for various types of supplies, materials, equipment and services.

Ability to analyze garage operation and maintenance problems, organize assigned work and develop effective work methods.

Ability to give suitable assignments and instructions to groups and individuals.

Ability to make and execute plans for the effective utilization of available funds and personnel.

Ability to supervise the obtaining, storing, safeguarding, distribution and proper use of needed equipment, materials and supplies, and to keep necessary records.

Ability to utilize various types of electronic and/or manual recording and information systems used by the agency, office or related units.

Ability to read, write, speak, understand and communicate in English sufficiently to perform the duties of this position. American Sign Language or Braille may also be considered as acceptable forms of communication.

Persons with mental or physical disabilities are eligible as long as they can perform essential functions of the job with or without reasonable accommodation. If the accommodation cannot be made because it would cause the employer undue hardship, such persons may not be eligible.

Job Specification 01843

FIRE LIEUTENANT

DEFINITION

Under direction of a Fire Captain, has charge of a fire department company or a platoon intended to assist in the extinguishing of fires; does other related duties.

NOTE: The examples of work for this title are for illustrative purposes only. A particular position using this title may not perform all duties listed in this job specification. Conversely, all duties performed on the job may not be listed.

EXAMPLES OF WORK:

Takes command at fires until arrival of superior officers.

Directs work of firefighters engaged in extinguishing fires.

Preserves order and discipline among subordinates.

Gives assignments and instruction to subordinates, provides them with needed advice and assistance when difficult and unusual problems arise, and checks their work to see that proper procedures are followed.

Ensures reasonable standards of workmanship, conduct, and output are maintained and that desired objectives are achieved.

Acts in the place of a Fire Captain in his/her absence.

Supervises cleaning and maintenance of buildings, rooms, and equipment.

Assigns firefighters to inspect schools, theaters, offices, and other buildings and to ensure that proper fire precautionary measures are maintained at public gatherings.

Prepares reports of fires, equipment, and personnel.

Keeps records and files.

May be required to learn to utilize various types of electronic and/or manual recording and information systems used by the agency, office, or related units.

REQUIREMENTS:

EDUCATION:

Graduation from high school, vocational high school, or possession of an approved high school equivalency certificate.

EXPERIENCE:

Three (3) years of experience involved in the extinguishing of fires.

CERTIFICATION

In accordance with NJAC 5:73-1.6(b), c & (d), effective February 17, 2000, applicants for this position must possess a valid Incident Management Level 1 certification issued by the New Jersey Division of Fire Safety, Department of Community Affairs.

AGE:

Not less then 18 nor more than 35 years of age at the announced closing date for filing applications for the position. In determining maximum age eligibility of veterans, time spent in active military service during periods specified in Civil Service Law and Rules will be deducted from the attained age.

NOTE: Age requirement does not apply in those jurisdictions whose members are not enrolled in the Police and Fire Pension System.

NOTE: When applicants have reached their 35th birthday, they are considered to be over 35 years old. Age limits are based on the announced closing date for filing Department of Personnel applications.

LICENSE:

Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform essential duties of the position.

MEDICAL EXAMINATION

As a prerequisite for appointment, appointees may be required to pass a thorough medical and psychiatric examination to be administered by the appointing authority. Any psychological, medical, or physical condition or defect which would prevent efficient performance of duties of the position, cause the appointee to be a hazard to himself/herself or others, or become aggravated as a result of performance of these duties will be cause for rejection.

KNOWLEDGE AND ABILITIES:

Knowledge of laws and ordinances which are significant from the fire point of view.

Knowledge of methods likely to be effective in fighting fires of various types.

Knowledge of varied kinds of firefighting equipment and apparatus.

Knowledge of the location of schools, large buildings, streets, and fire alarm boxes in the municipality.

Knowledge of types of fire alarm communications that are useful and feasible in the fire department.

Knowledge of procedures likely to be effective in enlisting support of citizens and others in taking fire precautionary measures.

Ability to analyze and interpret laws, ordinances, rules, regulations, standards, and procedures and apply them to

specific situations and cases.

Ability to organize work of an assigned company so as to make best available use of personnel, funds, and equipment.

Ability to give assignments to firefighters.

Ability to provide periodic training programs.

Ability to take a leading part in establishing and maintaining cooperative and helpful relationships with citizens and others.

Ability to supervise cleaning, maintenance, and minor repair of buildings, rooms, trucks, and equipment.

Ability to take immediate, correct action when a fire alarm is sounded to direct firefighters at a fire.

Ability to remain cool and decisive in emergency situations.

Ability to prepare clear, sound, accurate, and informative reports.

Ability to direct the establishment and maintenance of records and files.

Ability to utilize various types of electronic and/or manual recording and information systems used by the agency, office, or related units.

Ability to read, write, speak, understand, and communicate in English sufficiently to perform duties of this position. American Sign Language or Braille may also be considered as acceptable forms of communication.

Persons with mental or physical disabilities are eligible as long as they can perform essential functions of the job after reasonable accommodation is made to their known limitations. If the accommodation cannot be made because it would cause the employer undue hardship, such persons may not be eligible.

Job Specification

POLICE LIEUTENANT

DEFINITION

Under supervision of a Police Captain during an assigned tour of duty, has charge of a police platoon or performs specialized supervisory police duties; does related work as required.

NOTE: The examples of work for this title are for illustrative purposes only. A particular position using this title may not perform all duties listed in this job specification. Conversely, all duties performed on the job may not be listed.

EXAMPLES OF WORK:

Gives suitable police assignments and instructions to sergeants and police officers, provides them with needed advice and assistance when difficult problems of maneuvers arise, checks their work to see that proper procedures are followed, reasonable standards of workmanship, conduct, and output are maintained, and that desired police objectives are achieved.

Directs criminal and noncriminal investigations and sees that appropriate police action is taken.

Takes fingerprints for classified records and files.

When on desk duty, keeps a desk blotter, arrest book, and a property book.

When necessary apprehends, warns, or takes into custody violators of the law.

Sees that needed police protection is provided when large sums of money are in transit, when there are fires, outbreaks, and other conditions which might result in disorder, and when large numbers of people congregate for any reason.

Makes thorough investigations, prepares suitable reports and keeps needed records and files.

Will be required to learn to utilize various types of electronic and/or manual recording and computerized information systems used by the agency, office, or related units.

REQUIREMENTS:

EDUCATION:

Graduation from high school, vocational high school, or possession of an approved high school equivalent certificate.

EXPERIENCE:

Two (2) years of supervisory police experience involving the providing of assistance and protection of persons, the safeguarding of property, the observance of the law, and the apprehension of lawbreakers.

AGE:

Minimum of eighteen (18) years of age.

CITIZENSHIP

Must be a citizen of the United States.

MEDICAL EXAMINATION

As a prerequisite for appointment, appointees may be required to pass a thorough medical and psychological examination to be administered by the appointing authority. Any psychological, medical, or physical condition or defect which would prevent efficient performance of the duties of the position, cause the appointee to be a hazard to himself/herself, or others, or become aggravated as a result of performance of these duties, will be cause for rejection. Failure to demonstrate sufficient capacity to perform the duties of this position may be cause for rejection.

LICENSE:

Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

KNOWLEDGE AND ABILITIES:

Knowledge of the laws and ordinances which are significant from the police point of view.

Knowledge of the problems and procedures involved in working out the internal organization and formulating rules and regulations for the police department.

Knowledge of the methods likely to be useful in providing citizens and others with proper police information, service, and protection.

Knowledge of the methods useful in getting people individually OR in groups to conform to legal and social requirements.

Knowledge of the types of police communication that are useful and feasible in the police department.

Knowledge of the methods of detecting, apprehending, placing charges against, safeguarding, and prosecuting lawbreakers.

Knowledge of providing police protection at places and times when needed and of the measures likely to be useful in dealing with juveniles in such a manner as to enlist their support and minimize the types of behavior that lead to juvenile delinquency.

Ability to analyze and interpret laws, ordinances, rules, regulations, standards, and procedures, and apply them to specific situations and cases.

Ability to organize the local police work in such a manner as to provide needed services and protection.

Ability to formulate police rules and regulations.

Ability to obtain and make effective use of needed funds, personnel, equipment, and quarters.

Ability to give suitable assignments and instructions to members of the Police Department, provide them with needed advice and assistance when difficult and unusual problems arise, and check their work to see that proper procedures are followed, that reasonable standards of workmanship, conduct, and output are maintained, and that desired police objectives are achieved.

Ability to take the lead in establishing and maintaining helpful and cooperative relationships with individuals and groups interested in

the maintenance of law and order.

Ability to see that members of the force treat citizens and others with uniform courtesy and consideration and provide them with proper information and police services.

Ability to provide the police officer with proper information and police services.

Ability to provide police officer with direction and assistance necessary to assure the orderly handling of traffic.

Ability to supervise the investigation and disposition of complaints.

Ability to direct police activities necessary in keeping good order at places where people assemble in large numbers.

Ability to see that children are provided with the assistance and protection they need.

Ability to take and maintain a firm and correct stand when controversies and differences of opinion arise.

Ability to prepare and supervise the preparation of clear, sound, accurate, and informative reports, and to direct the establishment and maintenance of needed police records and files.

Ability to learn to utilize various types of electronic and/or manual recording and information systems used by the agency, office, or related units.

Ability to read, write, speak, understand, or communicate in English sufficiently to perform the duties of this position. American Sign Language or Braille may also be considered as acceptable forms of communication.

Persons with mental or physical disabilities are eligible as long as they can perform the essential functions of the job after reasonable accommodation is made to their known limitations. If the accommodation cannot be made because it would cause the employer undue hardship, such persons may not be eligible.
