

Arbor Day Celebration at City Hall on April 29th

All Plainfield residents are invited to attend the Arbor Day Celebration to be held outdoors at City Hall on Friday, April 29, 2016 at 11:00 a.m. This annual event is hosted by the Office of the Mayor, the Department of Public Works and Urban Development and the Shade Tree Commission, at a site chosen for enhanced plantings. This year, City Hall will receive new trees to replace trees that were lost in storms over the past several years and the plantings near the war memorial on the grounds will be improved. The ceremony will include announcements about Plainfield's designation as a Tree City USA by the Arbor Day Foundation, the selection of the 2016 Specimen Tree, and ceremonial plantings with photo opportunities for citizens. Please join us to celebrate our City's long and environmentally sound tradition of planting beautiful shade trees in our parks and tree lawns.
