FOR IMMEDIATE RELEASE
3/15/17

This is an important service announcement from the Plainfield Municipal Utilities Authority.

Due to hazardous road conditions, recycle collection for Wednesday, March 15, has been suspended. Customers in zones 3, 4, 6, 9 & 10 should leave their recycle carts at the curb for pick-up at our next opportunity.

Waste collection is expected to resume on Thursday, March 16. Zones 3, 4, 6, 9 & 10 should also roll garbage carts out for pick-up as normal.

In the event hazardous weather or road conditions continue to prohibit us from completing collections on schedule, please leave your carts at the curb for pick-up at our next opportunity, once roadways are deemed safe for the operation.

Property owners and residents must ensure their container lids are closed securely, and that there is a clear path leading to and from their carts and dumpsters. Containers must be easily accessible and not obstructed by ice, snow or other debris.

Unless otherwise noted, all other suspended zone collections will be picked up on the property's next scheduled collection day.
