

Harmonious & Earth-friendly Gardening Seminar

Spring is here! The Animal Initiative Committee is sponsoring a Harmonious and Earth-friendly Gardening Seminar on Tuesday April 9th at 7:00 PM in the Lower Meeting Room of the Plainfield Public Library, 800 Park Avenue, Plainfield, New Jersey 07060. The seminar will feature a presentation by Bruce Crawford, Director of the Rutgers Gardens. "A healthy environment is a biodiverse one. As we plan and plant our gardens and landscaping, we need to consider ways to live in harmony with the other animals who share our world," said Maryellen Chanda, Animal Initiative Committee Event Chairwoman. Mr. Crawford will be sharing the 'lessons learned' at the Rutgers Gardens on how to discourage unwanted human/wildlife interactions and ways to reduce harmful pesticides and herbicides by using nature for balance and beauty. The Harmonious Gardening Seminar is free of charge and open to everyone. For more information about the event please call 908.256-3858 or email Plainfieldaic2000@gmail.com.
