APPROVAL SUBJECT TO ORDINANCE MC 2005-08, DATED APRIL 25, 2005 & THE FOLLOWING CONDITIONS:

1. Permit Valid for 30 [thirty] days after approval.
2. Dumpster may remain for a period not to exceed 10 [ten] days with \$250 for each additional 10 [ten] day period
3. Dumpster shall be covered when not in use to prevent debris from blowing onto right-of-way.
4. The City right-of-way surrounding the dumpster shall be kept free of debris and dumping materials into the dumpster from higher elevation requires a covered chute to minimize dust.
5. Only upon special provisions will use of the sidewalks be permitted. Under these situations, permittee will be required to protect the integrity of the sidewalk and provide temporary ramp to drive onto sidewalk.
6. Permittee is responsible for the protection of paved surface when loading and unloading operations of dumpster. Three-quarter inch (3/4") plywood is required under runners if placed on pavement. Permittee will be held liable for any roadway or side walk damage caused by placement of dump site.
7. Dumpsters shall be provided with markers consisting of yellow reflective diamond shaped panels per MC 2005-08.
8. Permittee assumes all liability and hold harmless the City against all claims, damages, suits, penalties, fines and liability for injury or death to persons or loss or damage to property related to the placement of a dumpster in the City's right-of-way.
9. The rate for each dumpster/trailer permit shall pay the equivalent parking space per day, whether such space is metered, unmetered, marked, or unmarked, whether on the street or in the lane (excluding Sundays and holidays).

Approved by Office of Director – Department of Public Works and Urban Development

Director, DPW & UD

Date

5. The applicant or permittee shall provide the name, address and DEP license number of the solid waster collector or hauler who will be collecting and removing the dumpster/container, and identify the place of disposal of materials.
6. Prior to issuance of the permit, the application shall be forwarded to the PMUA for confirmation that the materials are being collected by a licensed hauler/contractor and that the materials are to be disposed of at a proper location.
7. All dumpsters and/or containers must be used only for the disposal of construction and demolition materials, N.J. D.E.P. Type 13C, and no municipal solid waste, N.J. D.E.P. Type 10, or class A recyclable materials whatsoever may be disposed of in the container or dumpster.
8. The applicant or permittee shall be responsible for any damage caused to the street, shoulder, gutter, curb or to any other part of the street and at his/her expense repair and make good any such damage, subject to the approval of the Director of Department of Public Works and Urban Development or his/her designee. No deposit shall be returned until such repairs have been made to the satisfaction of the Director of Public Works and Urban Development.
9. Upon failure of the applicant or permittee diligently and promptly to make repairs when requested by the Director of Department of Public Works and Urban Development or his/her designee, then such repairs may be made by the City of Plainfield and the cost thereof charged against and deducted from the deposit. If the deposit is insufficient, the applicant or permittee shall be responsible for payment to the City of Plainfield for the difference or excess in cost. Any part of the deposit not used under the provisions of this Ordinance, shall be returned when all the work and repairs have been completed and when they have been approved by the Director of Department of Public Works and Urban Development.

(e) Penalties.

A person who is convicted of a violation of this Ordinance, shall pay a fine of \$100.00 for each day of violation.

Section 2.

If any section or subsection of this Ordinance is deemed invalid by a court of competent jurisdiction, the remaining sections or subsections shall remain in full force and effect.

Section 3.

This Ordinance shall take effect 20 days after final passage and approval as provided by law.

AN ORDINANCE TO AMEND AND SUPPLEMENT CHAPTER 13, STREETS AND SIDEWALKS. ARTICLE 6, ENCROACHMENT ON STREETS AND SIDEWALKS, OF THE MUNICIPAL CODE OF THE CITY OF PLAINFIELD 1971, TO ADD A NEW SECTION 3, ROLL-OFF DUMPSTERS AND CONTAINERS.

MC 2005 - 08

BE IT ENACTED, by the City Council, of the City of Plainfield, New Jersey, that Chapter 13, Article 6, of the Municipal Code be and is hereby amended as follows:

Sec. 13:6-3. Roll-off Dumpsters and Containers along roadways or public property.

- (a) No person shall park or leave unattended any waste or refuse storage container, commonly known as a roll-off dumpster or roll-off container, having in excess of 10 cubic yards on or along any street, sidewalk or public property without having first obtaining the written permission by permit from the Director of Department of Public Works and Urban Development.
- (b) Consent shall be valid and remain in effect for a period of not more than thirty (30) days, but may be renewed by the appropriate official upon application.
- (c) Any roll-off dumpster, roll-off container or container parked on or along any roadway shall be equipped with and display markers consisting of all yellow reflective diamond-shaped panels having a minimum size of 18 inches by 18 inches. These panels shall be mounted at the edge of the dumpster or container at both ends nearest the path of passing vehicles and facing the direction of on-coming traffic. These markers shall have a minimum mounting height of three feet from the bottom of the panels to the surface of the roadway. All containers shall be cordoned off during day light hours.
- (d) Permits.
 1. The applicant or permittee shall pay a non-refundable fee of Fifty dollars (\$50.00) for each permit and a deposit of Two Hundred Fifty dollars (\$250.00). Each dumpster or container may remain on the street for a period not to exceed the (10) days. The applicant or permittee shall pay an additional fee of Two Hundred Fifty dollars (\$250.00) for each additional ten (10) day period if required.
 2. A Certificate of Insurance naming the City of Plainfield as an additional insured in an amount not less than \$300,000.00 shall be provided by the license hauler/collector.
 3. The permit shall require that the sidewalk and gutter shall at all times be kept clean and unobstructed, and that all dirt, rubbish, snow, ice and debris shall be promptly removed from time to time during the course of such building work by the licensee. All such permits shall be revocable by the Director of Department of Public Works and Urban Development for a violation of permit conditions.
 4. No permit shall be granted until the applicant shall have deposited with the Director of Public Works and Urban Development the sum of Two Hundred Fifty dollars (\$250.00) as security that such applicant will promptly and at all time comply with the conditions of the Ordinance and will promptly remove all dirt, and encumbrance from gutters or sidewalks, and will also promptly remove all building materials placed upon any street or sidewalk in the event that the permit therefore shall have expired or shall have been revoked.
